

# Dayna Danielle – Terms of Service

By booking an online tarot or numerology (coming soon) reading, you agree to the following terms of service:

## Fees

All fees are due upon booking and are non-transferrable.

## Age

You agree that you are 18 years of age or older, or have the explicit permission from a parent or guardian to receive a reading. If you are under 18 years of age, your parent or guardian must be present during the time of the reading.

## Cancellations, Rescheduling, and Late Arrivals

If you require a cancellation or rescheduling, the request must be made a minimum of 24 hours prior to the appointment time. Any less than 24 hours is not eligible for a refund or reschedule.

If you arrive/sign on late to our appointment, the reading will still end at the original time. I will wait up to 15 minutes, after which, I will consider it a no-show.

If I must reschedule our appointment, I will do my best to give you a minimum of 24 hours notice, and we will schedule another time at your earliest convenience, or you may choose a complete refund.

An appointment reminder will be emailed to you 24 hours prior to our session.

## Confidentiality

All information shared during our readings will remain strictly confidential. I will only share details of our reading if given explicit permission by you or your parent/guardian (if under the age of 18.) However, in the event that the police, law officials, or court subpoena information shared in our appointment, I will, by law, have to give information that is requested.

## Code of Conduct

Our time together is a safe space. No discrimination will be made based on age, gender identity, ethnicity, religion, sexual identity, sexual orientation, physical or psychological disabilities, or any other concept. You will always be treated with respect by me. I ask that you show me the same respect and courtesy during our time together. If, for any reason, I feel you have displayed disrespectful behaviour, including harassment or yelling, I reserve the right to end the session with no refund or rescheduling privileges given to you.

## Use of divination tools

While tarot can be a wonderful tool for guidance, it cannot predict the future with 100% certainty. While I will provide you with my own interpretation or spiritual messages I receive, my sessions are NOT to be used as a replacement for professional medical advice and/or treatment. How you react to any information is completely up to you, and I will not be held responsible for any actions you may take.
